STREET SAFETY TIPS

If you're driving...

- Slow down and obey the speed limit.
- Look twice for people in crosswalks and yield to pedestrians and bicyclists.
- Be careful when passing stopped vehicles.
- Yield to pedestrians and cyclists at intersections when you're turning.
- Allow three feet when passing bicyclists.

If you're walking...

- Cross the street at the corner and use marked crosswalks when they're available.
- Wait for the "Walk" signal to cross the street.
- Watch for turning vehicles. Before crossing look left, right, and left again.
- Be seen! If you're walking after dark or in bad weather, make it easier for drivers to see you by wearing light clothing or something reflective.
- Don't text while you're crossing the street.
- If you're on an off-street trail, obey all posted signage and approach intersections with caution.

If you're biking...

- Obey all traffic signs and traffic signals.
- Ride in the direction of traffic, at least a car door width away from parked cars.
- Use hand signals so drivers, bicyclists, and pedestrians know what you're going to do.
- Always wear a helmet.
- Use lights if you're riding at times of darkness.
- If you're on an off-street trail, obey all posted signs and approach intersections with caution.
- Slow down and watch for pedestrians on sidewalks, trails and in crosswalks.
